

ABOUT US

AgroNet LLC facilitates international trade by engaging in the wholesale distribution of products with nutritional benefits. We are a start-up that aims to provide healthy choices to consumers around the world by supplying businesses with ingredients with a host of nutritional benefits. If you're a company that wants to include ingredients like tiger nuts, moringa, and kola nuts in your products, we can reliably source these ingredients for you. All of our products are sourced from Côte d'Ivoire and Niger, two West African countries known for producing and exporting high-quality agricultural goods.

CORE COMPETENCIES
